HOMO FABER: crafting a more human future

14 - 30 September 2018, Venice

Starhotels hosts masterpieces by the most talented Venetian Artisans

On the occasion of the “Homo Faber: crafting a more human future”, event held in Venice and organized by the Michelangelo Foundation for Creativity and Craftsmanship, the Splendid Venice - Starhotels Collezione, in collaboration with Fondazione Cologni dei Mestieri d’Arte, hosts a refined exhibition of masterpieces by the most talented Venetian Artisans.

The initiative is part of the project Starhotels Collezione “La Grande Bellezza”, a tribute to the excellence of Italian craftsmanship.
